Initiation Fee: \$2495 U.S.

New Member Option: New members are entitled to purchase UP TO THREE WEEKS of points at \$100 U.S. per point.

For example, if your property is valued at 10 points/week, you may purchase up to 30 points @ \$100 U.S. per point. Since each point is worth \$400 U.S. of rental value, this is an exceptional offer (for example, spend \$3000 U.S. for 30 points worth \$12,000 U.S.).

One Stipulation: If you wish to purchase 2 or 3 weeks of points, we ask that you first commit to make one high season week (in the current or coming high season) available to your fellow TTT members. If you wish to purchase only one week of points, this stipulation does not apply.

The "New Member Option" allows you to travel without waiting for another member to visit your property in order to receive your first points. Please note that ONLY new members may purchase points (this is to protect the balance within our system). Once you are a member, points may only be "earned" by hosting fellow TTT members.

I would ___ would not ___ like to exercise my option to purchase points.
