

Five Friday Favorites

Happy Holidays and Happy Birthday to FreeTrades.com!

As we draw near the end of 2021 and look back over our 30 years of arranging wonderful vacations for owners of luxury vacation properties worldwide, we are deeply grateful for beloved members of our TTT family who've been traveling with us for decades and for new members whom we hope to serve for decades to come.

As always, we continue to bring aboard gorgeous new properties available for exchange including the five fabulous favorites featured below. Please let us know if you would like to visit one of these great properties or if there is anything we can do for you.

They say what you're doing on New Year's Eve is what you'll be doing the rest of the year. That has certainly proven true for me this year. Last New Year's Eve, I sent the first instructions for building FreeTrades.com to the developers of the website. Today I'm delighted to announce its launch!

TTT members may now use your TTT credits on the FreeTrades website if you wish (simply let us know you would like to do so). Following is a link and below is text from the new site:

www.FreeTrades.com

Buy, sell, rent and swap everything. Trade products and services worldwide using points or cash. For the first time in history, the world can finally enjoy free trade!

FreeTrades is a daughter company of "Trade to Travel" which has been arranging exchanges for owners of luxury vacation properties worldwide for 30 years using our simple points system. Our three decades of experience exchanging at the highest level and our long-established barter system is now available free of charge to members of FreeTrades.

Our secure message system puts you directly in touch with business owners and entrepreneurs, providers of all sorts of goods and services. You can ask questions, make offers and purchases, arrange deals and partnerships amongst yourselves, etc.

Members may pay for purchases on our website using points or PayPal. Or members may contact sellers directly to pay with cash, check, crypto, wire transfer, Venmo, Google Pay, Apple Pay, etc.

Members may trade with each other directly (for example, swap apples for oranges) or use points or cash.

Points = Dollars. Each point represents one U.S. dollar of trade value. Points never expire.

We charge no fee or commission. The only time you pay us anything is if you would like to purchase points to increase your trade account balance.

When you purchase points, we double your money by giving you double points. For example, the cost to purchase 2000 points would be \$1000. In other words, you save 50% when using purchased points to buy goods and services!

FreeTrades is a vetted Exchange Club. Members agree to deal honestly and do nothing illegal using our website or our name. If a member does anything dishonest or illegal using our site, their membership will be terminated and their points will all be forfeited. This helps assure members that you are safe when using our exchange.

Our Promise: We will donate all income from FreeTrades to charities and causes which help save and protect our precious planet and people.

We will continue to develop the FreeTrades website, adding categories and subcategories, language translations, bells & whistles, etc. In the meantime, it is functional and we hope you will enjoy using it!

Please note that "Trade to Travel" is currently closed for the holidays and will open at 9am Atlantic time on January 3, 2022. We will respond to all calls and emails as soon as possible in the new year.

We wish you safe and healthy holidays filled with love and joy, may 2022 be very good to you and those you love.

Cheers!
Leah
